

July 28th through August 1st
Lone Mountain Conference Center
San Francisco, California

We would like to extend an invitation to \TeX users around the world to join us in one of the most beautiful and exciting cities in the world. The conference will be held at The University of San Francisco Lone Mountain Conference Center, located on a 55-acre hilltop refuge with views of the Pacific Ocean, San Francisco Bay and the dramatic downtown skyline, and is a short walk from Golden Gate Park. Economical guest housing on campus is available to conference attendees.

The facility is about a 15-20 minute bus ride from the center of San Francisco, between town and the ocean beach. A single bus will take passengers from the ferry terminal building on the Embarcadero through town, past the University and to the beach.

The center is very well equipped, with several lecture halls and dining facilities. Shuttle transportation is available to take conference attendees who are staying on campus to the center. Computer accounts will be given out to all conference attendees.

Please visit our TUG'97 Home Page home page at <http://www.tug.org/tug97>, and note that a preliminary schedule has been posted, together with links for travel and lodging information. Anyone lacking a web browser is welcome to contact the Conference Committee at tug97@mail.tug.org for information via email.

We hope to arrange bursary funds for support of students and those participants who demonstrate need. For bursary requests, send email to bursary@mail.tug.org or by postal mail to TUG'97 Bursary Committee, 135 Center Hill Road, Plymouth, MA 02360 USA.
