I provide training, consulting, software design and
implementation for Unix, Perl, SQL, TEX, and LATEX. I
have authored several popular packages for LATEX and
`latex2html`. I have contributed to several web-based
projects for generating and typesetting reports.

The information here comes from the consultants
themselves. We do not include information we know to be
false, but we cannot check out any of the information; we
are transmitting it to you as it was given to us and do not
promise it is correct. Also, this is not an endorsement of
the people listed here. We provide this list to enable you to
contact service providers and decide for yourself whether to
hire one.

The TUG office mentions the consultants listed here to
people seeking TEX workers. If you'd like to be included, or
place a larger ad in *TUGboat*, please contact the office or
