

TUGboat editorial information

This regular issue (Vol. 45, No. 3) is the last issue of the 2024 volume year. The deadline for the first issue of next year is March 21, 2025. Contributions are requested.

TUGboat is distributed as a benefit of membership to all current TUG members. It is also available to non-members in printed form through the TUG store (tug.org/store), and online at the *TUGboat* web site (tug.org/TUGboat). Online publication to non-members is delayed for one issue, to give members the benefit of early access.

Submissions to *TUGboat* are reviewed by volunteers and checked by the Editor before publication. However, the authors are assumed to be the experts. Questions regarding content or accuracy should therefore be directed to the authors, with an information copy to the Editor.

Submitting items for publication

Proposals and requests for *TUGboat* articles are gratefully received. Please submit contributions by electronic mail to TUGboat@tug.org.

The *TUGboat* style files, for use with plain T_EX and L^AT_EX, are available from CTAN and the *TUGboat* web site, and are included in T_EX distributions. We also accept submissions using ConT_EXt. For deadlines, templates, author tips, and more, see tug.org/TUGboat.

Effective with the 2005 volume year, submission of a new manuscript implies permission to publish the article, if accepted, on the *TUGboat* web site, as well as in print. As of fall 2023, submission also implies permission to be indexed in the EBSCO (a large subscription management company) databases. We made this agreement with EBSCO to provide more visibility to *TUGboat* articles. See tug.org/TUGboat/tubperm.html for more.

If you have any concerns about these permissions, please notify the editors at the time of submission and we will do our best to make suitable arrangements.

Other TUG publications

TUG is interested in considering additional manuscripts for publication, such as manuals, instructional materials, documentation, or works on any other topic that might be useful to the T_EX community in general.

If you have such items or know of any that you would like considered for publication, please contact the Publications Committee at tug-pub@tug.org.
